Sir,

I have the honour to forward, herewith, an application for a permanent auditor's certificate under the Mysore Companies Regulation together with the connected papers received from Mr.Pandit Vidya Sagar Pandya, Secretary, Indian Bank, Limited, Madras and Member, Legislative Assembly.

(2) Mr.Pandya has not passed any examination in Auditing or Accountancy but from the papers he has forwarded, it is found that he has - good experience in auditing the accounts of companies and has also - studied Banking and accounting methods of some of the leading institutions in England and Scotland. He has been granted a permanent unrestricted certificate by the Government of Madras authorising him to audit the accounts of companies throughout the whole of British India. In the above circumstances his case may be considered as an exceptional case under Proviso to Rule 2 of the Rules issued under Notification No.10872/I. & C.359-20-2 dated 11th May 1921 and he may be granted a permanent certificate.

(3) As regards the languages the accounts kept in which Mr.Pandya has to be permitted to audit, it will be seen from a reference to paragraph 12 of the application that he wishes to audit the accounts kept in all languages. He was informed that the Rules regulating the -

the grant of auditor's certificates in Mysore required that the certificate should specify the language or languages the accounts in which the holder was entitled to audit and was, therefore, requested to specify the languages for which he required the certificate, stating that it was the practice of this office to specify in the certificate only those languages of which the applicant had a good knowledge or in which the applicant had facilities to audit. He has replied that his case may be treated as similar to the cases of the members of the Institute of Chartered Accountants of England and Wales etc., who are permitted to audit the accounts kept in any language. (Vide Notification No.1234/I. & C.6-18-24 dated 7-8-1918.) As this cannot be done without an amendment of the existing Rules, I beg leave to suggest that Mr.Pandya may, for the present, be authorised to audit the accounts kept in the English, Hindi, Urdu, Gujarathi and Punjabi languages.

page 164 of the manual

(4) If and when the Rules are amended placing Chartered Accountants etc., on the same level with those who are granted permanent certificates by Government under Section 144 (2) of the Mysore Companies Regulation, the question of including all the languages in Mr.Pandya's certificate may be taken up.
